

# Privacy Policy For ¡Adiós COVID! Research

Research.adioscovid.org was created and is operated by a group of students and faculty at the University of Washington. Please read this privacy statement thoroughly, as privacy is one of our primary concerns.

This privacy policy applies to our online activities only and is valid for website visitors with regard to the information that Research.adioscovid.org has collected. This policy is not applicable to any information collected offline or via channels other than this website.

If you have questions or concerns, please contact us at [research@adioscovid.org](mailto:research@adioscovid.org).

## Consent

By using this website, you agree to the content of this privacy policy.

## Information We Collect

Research.adioscovid.org uses Google Analytics to collect general information about visitors and their behavior on the website. See [this link](#) for more information on Google Analytics.

If you choose to contact us directly, we may have access to information such as your name, email address, phone number, the content of the message, and any other information you choose to provide when contacting us.

Registration is not required for Research.adioscovid.org, nor is there an option available. We do not store your personal information, but if you call or text us, your phone number may be stored on our phone provider's servers.

Visitor information will not be sold or used for advertising third-party products/services.

## Cookies and Web Beacons

Research.adioscovid.org uses cookies to store information such as the visitors' preferences, and the pages they have visited on the website. This information is used to optimize the visitor experience.

You may choose to disable cookies through your individual browser settings.
